

A LITTLE CLARITY FOR YOUR NEXT CHAPTER

Wedding financing, made clearer.

Explore a payment option on your invoice, or research a separate personal loan.
Choose the path that feels comfortable for your budget.

ON YOUR WILDFLOWER INVOICE

0% APR with Affirm

When you receive your Wildflower invoice, select Affirm from the payment options to review the eligible 0% APR financing offer.

Subject to eligibility and approval. Confirm that your offer shows 0% APR before accepting. A down payment may be required.⁴

Three other places to explore

Apply separately through these websites. The invoice's 0% APR Affirm offer **does not apply to these lenders' loans.**

SoFi

Personal loans for wedding and honeymoon expenses.¹

LightStream

Wedding loans from LightStream by Truist.²

Upstart

Wedding personal loans through a lending marketplace.³

Before you choose

Compare the APR (annual percentage rate), fees, monthly payment and total repayment. Loan approval, rates and terms vary. Review the lender's current offer before borrowing.¹⁻⁴
